## **AUTO SAFETY HOUSE JOINS DISTRIBUTOR NETWORK FOR AUTOMATED WASTE EQUIPMENT INC.**

PHOENIX, AZ, February 18, 2008 – Auto Safety House (ASH) has joined the exclusive distributor network for products produced by Automated Waste Equipment Inc ([www.americanrolloff.com](http://www.americanrolloff.com)). Automated Waste Equipment, is a manufacturer of a complete line of roll-off hoists, hooklift hoists, and bulk waste cranes. These products are marketed under the names of American Roll-off, Hook-All Hooklifts, and American Hawk.

“Our new association with Automated Waste Equipment complements our other fleets solutions products and services very well, especially for our municipal fleet customers. The equipment produced by Automated Waste Equipment is designed for quality and designed to deliver the lowest cycle times. Their Hook-All Hooklift equipment also provides significant “sustainability” benefits because one vehicle with this equipment can take the place of two or three other vehicles, which substantially reduces fleet costs overall and reduces energy use and emissions. We understand the critical needs and challenges associated with the waste industry and the impact that this industry has on our environment. We welcome the opportunity to provide equipment and services that will enable our Customers to achieve their production and environmental improvement objectives.” commented Rudy Garcia – Vice President of Sales & Marketing of Auto Safety House.

Auto Safety House (ASH) is a distributor of new and used buses, truck equipment, bus, truck and trailer parts, and also performs emergency vehicle modifications, and offers a diverse mix of heavy duty mechanical service in facilities located throughout the Southwestern United States.
