### **AUTO SAFETY HOUSE TO SHOWCASE NEW SEAGRAVE MARAUDER II FIRE APPARATUS ON MARCH 5<sup>TH</sup> and 6<sup>TH</sup>**

PHOENIX, AZ, February 16, 2009 – Auto Safety House (ASH) will be showcasing a new Seagrave Marauder II pumper as part of their warranty, service and new delivery PDI service agreement with California Seagrave. The Marauder II is the industry's only stainless steel cab which gives it more structural strength than any other cab on the market. This new Seagrave apparatus will be on display from 11AM to 2PM, Thursday March 5<sup>th</sup>, at the Auto Safety House corporate office located at 2630 W. Buckeye Road – Phoenix, Arizona 85009 and Friday March 6<sup>th</sup> at the Auto Safety House Tucson branch location at 1401 W. Benson Highway – Tucson, AZ 85714. All fire departments are invited to attend. Food and refreshments will be provided from 11AM to 2PM.

“We are excited to have the opportunity to showcase this newly produced Seagrave Marauder II apparatus. Fire apparatus sales and service experts from California Seagrave, Auto Safety House, and several other fire apparatus accessory support companies will be present to assist in this demonstration and help answer questions regarding the apparatus and ASH's service capabilities. We are very confident in our ability to provide vehicle support services to the entire fire fighting industry in Arizona. We are anxious to showcase the Marauder as well as our broad fire apparatus service and support capabilities. We sell and support many compatible fire related products and also have the ability to up-fit and service brush trucks as part of our fleet solutions approach. We anticipate that between 75 and 100 departments will be attending.” commented Rudy Garcia – Vice President of Sales and Marketing for Auto Safety House.
